INTRODUCTION

Specialise in the rapidly expanding Nail Technician Industry by gaining all of the skills necessary to work in a Nail Bar, Beauty Salon or alternatively as a self-employed person. You will also gain skills in other aspects of the beauty industry, such as Skin and Eye Treatments, so that your broad skill base will make you an attractive prospect for employers. This ITEC/QQI course also includes customer service and other business skills so that graduates are fully prepared for the world of work. Students participate in

- Introduction to Phorest salon software
- Pitstop Leadership Programme from Common Purpose for selected students

ENTRY REQUIREMENTS

Leaving Certificate, LCA or QQI Level 4. For mature applicants, experience will be considered in lieu of formal qualifications. All applicants will need to demonstrate an interest in Nails at interview and must bring with them a portfolio of some nail work completed by them as evidence of their interest. This should include at least 5 photographs of nails painted by the interviewee.
