

Repeat Leaving Certificate

(Ordinary and Higher)

INTRODUCTION

The aim of this course is to afford students an opportunity to improve on their ordinary level Leaving Certificate results while providing an opportunity to take some subjects at higher level if desired. Extra tuition, small class sizes, intense study, career guidance and counselling programs will be an integral part of this course

This course is an ideal opportunity to complete your education or to assist you to gain entry to universities, Institutes of Technology, Further Education courses or employment.

ENTRY REQUIREMENTS

Students should have pursued the Leaving Certificate course and must have a genuine desire to secure an overall improvement in their results. Successful candidates must enroll for six subjects.

You must have pursued the Higher Level course in your previous school in order to take the following subjects at higher level- Physics, German, Chemistry, Spanish, Accounting, Mathematics, History and Economics

If you have any queries please contact Miriam de Barra at mdebarra@ccoc.ie or by phone at 021 4223801.
