INTRODUCTION

If you have been unemployed for some time or wish to retrain or reskill to return to the workplace then this is the course for you. If you would like to become an IT technician involved in installation, repair and maintenance of equipment you can gain a solid foundation in these skills coupled with IT technical support skills and an introduction to the IT security area. Study in a supported mentored environment to release your potential. Students participate in site visits and have access to Skillsport online learning.

ENTRY REQUIREMENTS

Long term unemployed with no previous educational qualification higher than FETAC/QQI Level 4; applicants should be aged 21 and over and in receipt of social welfare payment. Applications through FIT at (021) 2428755, www.fit.ie or contact your Local Intreo Centre. Application can also be made directly to the college, through the college website. An offer of a place on this course is contingent on the applicant meeting the entry requirements set out here and satisfactory presentation at interview.

CERTIFICATION

QQI Level 5 Certificate in Computer Systems and Networks 5M0536

WORK PLACEMENT/EXPERIENCE

Students undertake work placement one day per week for the duration of the year. Students are required to source their own placement in a suitable IT related setting.

EDUCATION PROGRESSION OPPORTUNITIES

CIT/MTU: IT Management (CR310), Software Development (CR106 and CR116), **UCC:** BIS (CK203), Computer Science (CK401), Psychology and Computing (CK121)

Special arrangements in place with CIT/MTU (CCPS), Tralee IT/MTU and Waterford IT for preferential entry for CCOC students. Up to 390 CAO points for any IT can be attained. Go to our progressions database at <https://corkcollegeofcommerce.ie/progressions/> for exact requirements on progressions for this course.

CAREER OPPORTUNITIES

The dual nature of this course (hardware and software), opens many employment opportunities for students. Graduates are well placed to take up positions in IT repair outlets, and in the IT departments of many organisations. Graduates can also apply for internship programmes.
